Robinson said the new cruiser is in but is not ready to be picked up. The cost is \$27,273. It will cost \$12,141 to equip the vehicle plus the cost of a new radio and lettering. Robinson said he was trying to keep the total cost under \$40,000. The cost will come from the special detail revolving fund.

Robinson wanted to discuss the wages of the new officer's wages. The board had approved Jared Arsenault at \$19.09 and Kenneth at \$18.54. Bryan said they started Gauthier at Abele's starting wage plus 2% COLA, and Arsenault at \$19.09 which is the wage that Abele received after graduating from the Academy. Bryan said Abele is doing well and should be making more than the others. Artimovich said Abele is getting an increase for performance. Robinson said Abele was at \$19.57. Clement said Abele is at \$19.09 and was approved for \$19.57 when the 2015 budget was presented. The increase to \$19.75 was approved based on performance. Robinson said Abele should be at \$19.75, Arsenault at \$19.57 and Gauthier at \$19.09. Artimovich said you cannot start Gauthier at what Abele is making now, Robinson agreed. The board approved increases after Gauthier graduates from the Academy and at 6 months for Arsenault. The board made no changes to the approvals on 6/2/15.

Robinson said he was having trouble with a piston on his dump truck. He estimates the cost to be \$1800 for the repair.

Artimovich said the construction will not be complete on Prescott Road for 1-2 years. He suggested a skim coat to hold it until then. Robinson said he would contact Bell and Flynn and get an estimate.

Byrne asked Robinson what he was going to do with the old gates at the highway shed. Bryan suggested they use it to close off the 50' right of way to the church. Byrne said the lot that the shed is on was gifted to the town in exchange for the Pilgrim Church maintaining that right of way. Bryan said they would just need to make sure the church got a key.
